SURVEY & ANALYSIS**

Scale @ A3: 1:2,500
Date: 16/06/2022

Legend

-  HoS Forest Blocks
-  Electricity Powerlines
- Current stock (by species group)**
-  Mixed broadleaves
-  Native woodland
-  Diffuse native woodland

Small, attractive group of birch and oak dominated woodland.

Wayleave for powerline with open grassland habitats

Semi-mature woodland cover is present along the corridor of the Shotts Burn.

Old hedge present along site boundary.

Recent mixed broadleaf planting generally growing well. Some ash present in mix.

Chapelhall

Formal site entrance suffers from vanadism. Few features survive.

Open ground between planting blocks is regenerating

Rides are present between blocks. No surfaced paths are present.
