- Other/Mixed Conifers
- Scots Pine
- Sitka Spruce
- Open

Species Mixture  
Main colour = Dominant species  
Dots = Secondary species  
Sitka spruce with Birch shown here

**NOTES**

Areas highlighted in black are changes proposed for the next 10 years.

Other changes in species composition will also be managed through ongoing thinning operations, and opportunities for restocking gaps along the north and east coasts with broadleaves will be taken when possible.

Scotland's national forests and land are responsibly managed to the UK Woodland Assurance Standard.
