**Subject:** Letter of support for Community Craigelands Group

Dear Sir,

I am the secretary of the Moffat and District Red Squirrel Group (MAD Squirrels) and I would like to add the weight of our support to the ownership of the woodland by the Community Craigelands Group. We are delighted to be able to work alongside them in Red Squirrel conservation work and have over the past 4-5 years been active in grey squirrel control in the woods. This has resulted in sighting of red squirrels there.

Kind Regards

Andy  
Secretary to MAD
