Sir

As a local resident I would like to offer my full support to this application. The current arrangements are of poor quality and do not offer the high standard required by locals and tourists. Opening hours are not consistent, the food offering is equally inconsistent and often disappointing. The location is superb. In the right hands this could be the door to the Cairngorms with a fantastic visitor centre. The local history, culture and sport could be represented alongside a fantastic food outlet.
The fact that all of this could benefit local communities is surely the aim.

I could not be stronger in my support.
