To whom it may concern,

I am delighted to get the opportunity to support Glengarry Communities Woodlands application to purchase the available area of Ardochy Forest for the creation of affordable rental homes and woodland crofts.

Ever since becoming a councillor in 2007, the lack of affordable homes and employment opportunities for young people and families has been a major issue in the Glengarry area.

This proposal supports the aspirations of the community and the communities woodlands group with a ready access to available infrastructure and I look forward to the ensuing development of Ardochy forest.

Kind Regards
